The Directors commenced office during the financial year to the date of this report as stated.

EDMUND RICE FOUNDATION (AUSTRALIA)
ABN 28 153 110 055

Directors' Report
For the year ended 31 December 2019

2 Directors' meetings

The number of Directors' meetings and number of meetings attended by each of the Directors of the Company during the financial year are:

	Number Eligible to Attend	Number Attended
Anthony Coates	7	6
Michael Fernon (resigned 24/06/2019)	3	1
Paul Gallagher	7	7
Joel Egan	7	7
Christina Longmire	7	5
Edward Phelan	7	6
Martin Sanderson, cfc	7	7
Jodie Sangster	7	2
Alan Zammit, AM	7	6

3 Principal activity

The Company was incorporated on 8 September 2011 to act as trustee of a Relief Fund, a Charitable Fund or an Ancillary Fund and as such trustee and also in its own right to raise and collect donations and gifts and distribute funds to:

- (a) Community development programs in Developing Countries by means of a comprehensive economic, social, cultural and political process projects of constant improvement which aim at the wellbeing of peoples resident in Developing Countries with the peoples of Developing Countries freely and meaningfully participating in such projects with there being a fair distribution of the benefits that result from the projects.
- (b) to assist and promote charitable works within Australia in particular for the relief of poverty, distress, sickness and helplessness of people in necessitous circumstances and the advancement of education for Australian youth who suffer underprivileged, disability, remoteness and other disadvantage or any charitable work conducted managed or promoted by the Religious Institute.

4 Results of operations

The deficit of the consolidated entity for the financial year 1 January to 31 December 2019 was \$247,166 (2018 Surplus \$254,325).

The consolidated entity is exempt from Income Tax under subdivision 50-B of the Income Tax Assessment Act 1997.

The Company is precluded from distributing its surpluses and property as dividends to its members.

5 State of affairs

In the opinion of the Directors, there were no other significant changes in the state of affairs of the consolidated entity during the financial year not otherwise disclosed in this report or the accounts.

6 Indemnifying Directors, Officers and Auditor

During the financial year the Company has maintained insurance policies to insure each of the directors and officers against liabilities for costs and expenses incurred by them in defending any legal proceedings arising out of their conduct while acting in the capacity of director or officer of the Company, other than conduct involving a criminal or wilful act or omission.

7 Environmental issues

The consolidated entity's operations are not regulated by any significant environmental regulation under a law of the Commonwealth or of a State or Territory.

8 Short term objective

The Edmund Rice Foundation (Australia)'s short term objective is to increase income to ensure that programming activities can be continued and expanded for the benefit of disadvantaged peoples. Edmund Rice Foundation (Australia) is also focused on achieving accreditation with DFAT and to fine tuning all policies and procedures that are necessary for best practice development procedures.

9 Long term objectives

The Edmund Rice Foundation (Australia)'s long term objective is to provide support to each of the projects to enable these to become sustainable over time by introducing them to best practise policies and procedures that will attract financial support from in country and international sources. We also aim to work with our alliance projects by assisting them in developing internal processes which may enhance the sustainability of their programs.

EDMUND RICE FOUNDATION (AUSTRALIA)
ABN 28 153 110 055

Directors' Report
For the year ended 31 December 2019

10 Strategy for achieving the objectives

To achieve these objectives:

As an international development organisation with a global footprint, the Edmund Rice Foundation (Australia) has seen first-hand the impact an empowering education creates. Our commitment is to support people and their communities, to develop the life skills to change their own world and be a force for positive change around them.

Our new strategic plan, Liberating Lives through Education (2018-2020) is our commitment to those communities, to our supporters who entrust us with their time, talent and financial gifts and to the public, as to how we will do this over the coming years

The Directors intend to continue the expansion of the entity's fundraising activities within Australia, working closely with our Edmund Rice community and beyond to search for new opportunities to support development projects both internationally and here in Australia.

11 How principal activities assisted in achieving the objectives

The consolidated entity carried out the following principal activities to achieve its objectives:

- Targeted program expenditure to increase capacity and outreach both domestically and overseas
- Continued stakeholder and community awareness and engagement through the Gone Fishing Program, and
- Increased focus on strengthening internal systems.

Total revenue increased by \$149,640 or 3.9% in 2019 as compared to 2018 whilst the deficit for the year was \$247,166 compared to a surplus in the prior year of \$254,325. The key factors of the result were

- A decrease of \$282,306 (8.7%) in donations income
- An increase of \$399,104 in bequests received
- An increase of \$546,440 (26.6%) in funding to international programs
- An increase of \$51,000 (19.2%) in funding to domestic programs
- An increase of \$567 (0.2%) in the costs of program support activities
- Fundraising income decreased rose by \$44,139 (10.4%)
- Fundraising costs increased by \$149,025 (28.5%).

12 Performance measures

a) Administration Ratio

A useful measure of the Consolidated Entity's administrative efficiency is its administration cost ratio. The ratio expresses administration costs (including depreciation) as a percentage of total expenditure. For 2019 the ratio was 7.6% (2018: 6.9%)

b) Fundraising cost ratio

Another ratio often given attention is the fundraising cost ratio. There are different definitions of this ratio used throughout the not-for-profit sector. In order to assess the organisation's performance accurately and to provide a comparison with other non-government organisations, the following two fundraising cost ratios have been used:

- *Fundraising costs as a percentage of total revenue*
The ratio in relation to total revenue for 2019 was 16.9% (2018: 13.6%).
- *Fundraising costs as a percentage of fundraising income (excluding grants)*
Fundraising income, primarily from functions and events, represents 9.5% (2018: 11.0%) of the total annual revenue. The ratio in relation to all funds raised from fundraising events for 2019 was 177.3% (2018: 123.6%). Fundraising costs are comprised of facility hire, event management, catering and promotional activities for the specific events and hence account for a significant percentage of income. Donations generated from these activities are recorded separately in the accounts and are captured together with investment, bequest and grant income in the remaining 90.5% (2018: 89.0%) of annual revenue.

The meaningfulness of this ratio however, is affected by the range of fundraising activities undertaken in the respective financial periods. In Edmund Rice Foundation (Australia)'s case this range, and the associated cost rates, varies markedly between recruitment of donors to particular programs and special events. Fundraising activities are worth pursuing provided they generate a worthwhile surplus over time that can be devoted to achieving Edmund Rice Foundation (Australia)'s goal of improving the lives of disadvantaged peoples.

It is therefore necessary to be cautious when comparing the fundraising cost ratio over time and with the corresponding ratio of other charities that may have quite different ways of funding their activities and reporting their results.

13 Directors' benefits

Since the end of the previous financial year, no Director of the Company has received or become entitled to receive a benefit, other than a benefit included in the aggregate amount of emoluments received or due and receivable by Directors shown in the accounts, or the fixed salary of a full time employee of the Company or a related corporation, by reason of a contract made by the Company or a related corporation with the Director or with a firm of which the Director is a member, or with a firm in which the Director has a substantial financial interest.

EDMUND RICE FOUNDATION (AUSTRALIA)
ABN 28 153 110 055

Directors' Report
For the year ended 31 December 2019

14 Members' guarantee

Edmund Rice Foundation (Australia) is a company limited by guarantee. In the event of, and for the purpose of, the winding up of the Consolidated Entity, the amount capable of being called up from each member and any person or association who has ceased to be a member in the year prior to the winding up, is limited to \$100 for all members subject to the provisions of the company's constitution. For 2019 the collective liability of members was \$6,700 (2018: \$6,200).

15 Proceedings on behalf of Company

No person has applied for leave of the Court to bring proceedings on behalf of the Company or to intervene in any proceedings to which the Company is a party for the purpose of taking responsibility on behalf of the Company for all or any part of those proceedings.

16 Auditor's Independence

The Auditor's independence declaration for the year ended 31 December, 2019 has been received and can be found following on page 26 of the financial report.

17 Events Subsequent to Reporting Date

As at the date of signing these accounts, the global COVID-19 pandemic has resulted in severe restrictions being placed on the movement, working and social habits of all Australians. The Company has put in place operational measures to ensure the safety of our employees and associates, while they continue the work of the Company. The Company will not be immune to the financial impact of the pandemic and is implementing a range of measures to best manage the likely financial impact without affecting our core mission.

Except for the Corona Virus (COVID-19) and subsequent government actions, the impacts of which on the business cannot be determined at this time, there has been no matter or circumstance, which has arisen since 31 December 2019 which has significantly affected or which may significantly affect:

- (a) the operations of the consolidated entity;
- (b) the results of those operations; or
- (c) the state of affairs of the consolidated entity, in subsequent financial years.

Signed in accordance with a resolution of Board of Directors:

Director

Dated at Brisbane this 11 day of June 2020

Notes to the Financial Statements For the year ended 31 December 2019

1 Summary of Significant Accounting Policies

Basis of Preparation

The consolidated financial statements of Edmund Rice Foundation (Australia) group applies Australian Accounting Standards - Reduced Disclosure Requirements as set out in AASB 1053: Application of Tiers of Australian Accounting Standards and AASB 2011-2: Amendments to Australian Accounting Standards arising from Reduced Disclosure Requirements.

These general purpose financial statements have been prepared to meet the financial reporting requirements of the *Australian Charities and Not-for-profits Commission Act 2012*, Australian Accounting Standards, Australian Accounting Interpretations, other authoritative pronouncements of the Australian Accounting Standards Board and the Australian Council for International Development (ACFID) Code of Conduct. For further information of the Code of Conduct, please refer to the ACFID Code of Conduct Guidance available at www.acfid.asn.au. The entity is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards. Material accounting policies adopted in the preparation of these financial statements are presented below and have been consistently applied unless stated otherwise.

The financial statements, except for the cash flow information, have been prepared on an accruals basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities. The amounts presented in the financial statements have been rounded to the nearest dollar.

The report was authorised by the Responsible Entities on the 11th day of June 2020

The following is a summary of the material accounting policies adopted by Edmund Rice Foundation (Australia) in the preparation of the financial report. The accounting policies have been consistently applied unless otherwise stated.

Accounting Policies

Principles of Consolidation

The consolidated financial statements incorporate the assets and liabilities of Edmund Rice Foundation (Australia) Limited ('company' or 'parent entity') and its Trusts as at 31 December 2019 and their results for the year then ended. Edmund Rice Foundation (Australia) Limited and its Trusts together are referred to in these financial statements as the 'group'.

A subsidiary is an entity over which the group has control. The group controls an entity when the group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect the returns through its power to direct the activities of the entity. The subsidiary is fully consolidated from the date on which control is transferred to the group. It is de-consolidated from the date the control ceases.

Intercompany transactions, balances and unrealised gains on transactions between entities in the group are eliminated. Accounting policies of subsidiaries have been changed where necessary to ensure consistency with the policies adopted by the group.

New or Amended Accounting Standards and Interpretations Adopted

The group has adopted all of the new or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period.

Any new or amended Accounting Standards or Interpretations that are not yet mandatory have not been early adopted.

The adoption of these Accounting Standards and Interpretations did not have any significant impact on the financial performance or position of the group.

The following Accounting Standard and Interpretation is the most relevant to the group:

AASB 15 Revenue from Contracts with Customers

The group has adopted AASB 15 from 1 January 2019. The standard provides a single comprehensive model for revenue recognition. The core principle of the standard is that an entity shall recognise revenue to depict the transfer of promised goods or services to customers at an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The standard introduced a new contract-based revenue recognition model with a measurement approach that is based on an allocation of the transaction price. This is described further in the accounting policies below. Credit risk is presented separately as an expense rather than adjusted against revenue. Contracts with customers are presented in an entity's statement of financial position as a contract liability, a contract asset, or a receivable, depending on the relationship between the entity's performance and the customer's payment. Customer acquisition costs and costs to fulfil a contract can, subject to certain criteria, be capitalised as an asset and amortised over the contract period.

AASB 16 Leases

The group has adopted AASB 16 from 1 January 2019. The standard replaces AASB 117 'Leases' and for lessees eliminates the classifications of operating leases and finance leases. Except for short-term leases and leases of low-value assets, right-of-use assets and corresponding lease liabilities are recognised in the statement of financial position. Straight-line operating lease expense recognition is replaced with a depreciation charge for the right-of-use assets (included in operating costs) and an interest expense on the recognised lease liabilities (included in finance costs). In the earlier periods of the lease, the expenses associated with the lease under AASB 16 will be higher when compared to lease expenses under AASB 117. However, EBITDA (Earnings Before Interest, Tax, Depreciation and Amortisation) results improve as the operating expense is now replaced by interest expense and depreciation in profit or loss. For classification within the statement of cash flows, the interest portion is disclosed in operating activities and the principal portion of the lease payments are separately disclosed in financing activities. For lessor accounting, the standard does not substantially change how a lessor accounts for leases.

Edmund Rice Foundation (Australia)

ABN 28 153 110 055

Notes to the Financial Statements For the year ended 31 December 2019

1 Summary of Significant Accounting Policies (Cont.d)

AASB 1058 Income of Not-for-Profit Entities

The group has adopted AASB 1058 from 1 January 2019. The standard replaces AASB 1004 'Contributions' in respect to income recognition requirements for not-for-profit entities. The timing of income recognition under AASB 1058 is dependent upon whether the transaction gives rise to a liability or other performance obligation at the time of receipt. Income under the standard is recognised where: an asset is received in a transaction, such as by way of grant, bequest or donation; there has either been no consideration transferred, or the consideration paid is significantly less than the asset's fair value; and where the intention is to principally enable the entity to further its objectives. For transfers of financial assets to the entity which enable it to acquire or construct a recognisable non-financial asset, the entity must recognise a liability amounting to the excess of the fair value of the transfer received over any related amounts recognised. Related amounts recognised may relate to contributions by owners, AASB 15 revenue or contract liability recognised, lease liabilities in accordance with AASB 16, financial instruments in accordance with AASB 9, or provisions in accordance with AASB 137. The liability is brought to account as income over the period in which the entity satisfies its performance obligation. If the transaction does not enable the entity to acquire or construct a recognisable non-financial asset to be controlled by the entity, then any excess of the initial carrying amount of the recognised asset over the related amounts is recognised as income immediately. Where the fair value of volunteer services received can be measured, a private sector not-for-profit entity can elect to recognise the value of those services as an asset where asset recognition criteria are met or otherwise recognise the value as an expense.

Impact of adoption

AASB 15, AASB 16 and AASB 1058 were adopted using the modified retrospective approach and as such comparatives have not been restated. There was no impact on opening retained profits as at 1 January 2019.

(a) **Revenue recognition**

The group recognises revenue as follows:

Revenue from contracts with customers

Revenue is recognised at an amount that reflects the consideration to which the group is expected to be entitled in exchange for transferring goods or services to a customer. For each contract with a customer, the group: identifies the contract with a customer; identifies the performance obligations in the contract; determines the transaction price which takes into account estimates of variable consideration and the time value of money; allocates the transaction price to the separate performance obligations on the basis of the relative stand-alone selling price of each distinct good or service to be delivered; and recognises revenue when or as each performance obligation is satisfied in a manner that depicts the transfer to the customer of the goods or services promised.

Variable consideration within the transaction price, if any, reflects concessions provided to the customer such as discounts, rebates and refunds, any potential bonuses receivable from the customer and any other contingent events. Such estimates are determined using either the 'expected value' or 'most likely amount' method. The measurement of variable consideration is subject to a constraining principle whereby revenue will only be recognised to the extent that it is highly probable that a significant reversal in the amount of cumulative revenue recognised will not occur. The measurement constraint continues until the uncertainty associated with the variable consideration is subsequently resolved. Amounts received that are subject to the constraining principle are recognised as a refund liability.

Sales revenue

Events, fundraising and raffles are recognised when received or receivable.

Grants

Grant revenue is recognised in profit or loss when the group satisfies the performance obligations stated within the funding agreements.

If conditions are attached to the grant which must be satisfied before the group is eligible to retain the contribution, the grant will be recognised in the statement of financial position as a liability until those conditions are satisfied.

Donations

Donations are recognised at the time the pledge is made.

Bequests

Bequests are recognised when the group is notified of an impending distribution or the bequest is received, whichever occurs earlier.

Revenue from bequests comprising bequests of shares or other property are recognised at fair value, being the market value of the shares or property at the date the group becomes legally entitled to the shares or property.

Fundraising appeals

Donations to the fundraising appeal are recognised as revenue on receipt.

Interest

Interest revenue is recognised as interest accrues using the effective interest method. This is a method of calculating the amortised cost of a financial asset and allocating the interest income over the relevant period using the effective interest rate, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the net carrying amount of the financial asset.

Other revenue

Other revenue is recognised when it is received or when the right to receive payment is established.

Edmund Rice Foundation (Australia)

ABN 28 153 110 055

Notes to the Financial Statements For the year ended 31 December 2019

1 Summary of Significant Accounting Policies (Cont.d)

Volunteer services

The group has elected not to recognise volunteer services as either revenue or other form of contribution received. As such, any related consumption or capitalisation of such resources received is also not recognised.

Investment Revenue

Investment revenue is recognised when the right to receive a distribution has been established.

All revenue is stated net of the amount of Goods and Services Tax (GST) where this applies.

(b) **Current and non-current classification**

Assets and liabilities are presented in the statement of financial position based on current and non-current classification.

An asset is classified as current when: it is either expected to be realised or intended to be sold or consumed in the normal operating cycle; it is held primarily for the purpose of trading; it is expected to be realised within 12 months after the reporting period; or the asset is cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least 12 months after the reporting period. All other assets are classified as non-current.

A liability is classified as current when: it is either expected to be settled in the normal operating cycle; it is held primarily for the purpose of trading; it is due to be settled within 12 months after the reporting period; or there is no unconditional right to defer the settlement of the liability for at least 12 months after the reporting period. All other liabilities are classified as non-current.

(c) **Investments and other financial assets**

Investments and other financial assets are initially measured at fair value. Transaction costs are included as part of the initial measurement, except for financial assets at fair value through profit or loss. Such assets are subsequently measured at either amortised cost or fair value depending on their classification. Classification is determined based on both the business model within which such assets are held and the contractual cash flow characteristics of the financial asset unless an accounting mismatch is being avoided.

Financial assets are derecognised when the rights to receive cash flows have expired or have been transferred and the consolidated entity has transferred substantially all the risks and rewards of ownership. When there is no reasonable expectation of recovering part or all of a financial asset, its carrying value is written off.

Financial assets at fair value through profit or loss

Financial assets not measured at amortised cost or at fair value through other comprehensive income are classified as financial assets at fair value through profit or loss. Typically, such financial assets will be either: (i) held for trading, where they are acquired for the purpose of selling in the short-term with an intention of making a profit, or a derivative; or (ii) designated as such upon initial recognition where permitted. Fair value movements are recognised in profit or loss.

Financial assets at fair value through other comprehensive income

Financial assets at fair value through other comprehensive income include equity investments which the consolidated entity intends to hold for the foreseeable future and has irrevocably elected to classify them as such upon initial recognition.

Impairment of financial assets

The group recognises a loss allowance for expected credit losses on financial assets which are either measured at amortised cost or fair value through other comprehensive income. The measurement of the loss allowance depends upon the group's assessment at the end of each reporting period as to whether the financial instrument's credit risk has increased significantly since initial recognition, based on reasonable and supportable information that is available, without undue cost or effort to obtain.

Where there has not been a significant increase in exposure to credit risk since initial recognition, a 12-month expected credit loss allowance is estimated. This represents a portion of the asset's lifetime expected credit losses that is attributable to a default event that is possible within the next 12 months. Where a financial asset has become credit impaired or where it is determined that credit risk has increased significantly, the loss allowance is based on the asset's lifetime expected credit losses. The amount of expected credit loss recognised is measured on the basis of the probability weighted present value of anticipated cash shortfalls over the life of the instrument discounted at the original effective interest rate.

Financial assets at fair value through other comprehensive income are reflected at fair value. Unrealised and realised gains and losses are arising from changes in fair value, or on disposal of the financial assets, are taken directly to asset revaluation reserve in equity.

Edmund Rice Foundation (Australia)

ABN 28 153 110 055

Notes to the Financial Statements For the year ended 31 December 2019

1 Summary of Significant Accounting Policies (Cont.d)

(d) **Cash and cash equivalents**

Cash and cash equivalents include cash on hand, deposits held at call with bank and other short-term highly liquid investments with original maturities of 3 months or less.

(e) **Trade and other receivables**

Other receivables are recognised at amortised cost, less any allowance for expected credit losses.

(f) **Plant and equipment**

All plant and equipment is stated at cost, representing the fair value of the consideration given in exchange, less accumulated depreciation and any impairment amounts.

Depreciation is calculated on a straight line basis over the estimated useful life of all plant and equipment, as follows:

Computer equipment - over 3 years

Office equipment - over 5 years

Purchases of items for \$2,000 or less are expensed in the year of purchase. Once an items written down value reaches \$750 it is fully depreciated.

(g) **Impairment**

At each reporting date the Directors assess whether there is any indication that an asset may be impaired. Where an indication of impairment exists, the Directors make a formal estimate of the recoverable amount. Where the carrying amount of an asset exceeds its recoverable amount, the asset is considered impaired and its carrying value is written down to its recoverable amount.

(h) **Employee benefits**

(i) *Short term employee benefits*

Liabilities for wages and salaries, including non-monetary benefits, annual leave and long service leave expected to be settled within 12 months of the reporting date are measured at the amounts expected to be paid when the liabilities are settled.

(ii) *Other long-term employee benefits*

The liability for annual leave and long service leave not expected to be settled within 12 months of the reporting date are measured as the present value of expected future payments to be made in respect of services provided by employees up to the reporting date. Consideration is given to expected future wage and salary levels, experience of employee departures and periods of service. Expected future payments are discounted using market yields at the reporting date on Australian corporate bonds with terms to maturity and currency that match, as closely as possible, the estimated future cash flows.

(l) **Leases**

At inception of a contract, the group assesses whether a contract is, or contains, a lease. A contract is considered to contain a lease if it allows the group the right to control the use of an identified asset over a period of time in return for consideration.

Where a contract or arrangement contains a lease, the group recognises a right-of-use asset and a lease liability at the commencement date of the lease.

A right-of-use (ROU) asset is initially measured at cost, which is the present value of future lease payments adjusted for any lease payments made at or before the commencement date, plus any make-good obligations and initial direct costs incurred. Lease assets are depreciated using the straight-line method over the shorter of their useful life and the lease term. Periodic adjustments are made for any re-measurements of the lease liabilities and for impairment losses.

Lease liabilities are initially measured at the present value of future minimum lease payments, discounted using the group's incremental borrowing rate if the rate implicit in the lease cannot be readily determined, and are subsequently measured at amortised cost using the effective interest rate. Minimum lease payments include fixed payments, amounts expected to be paid under a residual value guarantee, the exercise price of purchase options for which the group is reasonably certain to exercise and incorporate the group's expectations of lease extension options.

The lease liability is remeasured when there are changes in future lease payments arising from a change in rates, index or lease terms from exercising an extension or termination option. A corresponding adjustment is made to the carrying amount of the lease assets.

Short term leases (lease term of 12 months or less) and leases of low value assets (\$5,000 or less) are recognised as incurred as an expense in the income statement.

ROU assets are amortised over the residual of the lease term calculated at the time of adoption of AASB 16, the residual term of the lease being 67 months.

Leasehold improvements are amortised over the residual of the lease term calculated at the time of adoption of AASB16, the residual term of the lease, being 67 months.

(j) **Income tax**

The group has been constituted to provide services as a Public Benevolent Institution. Its activities are exempt from income tax under section 50-B of the Income Tax Assessment Act 1997. The group is also exempt from capital gains tax.

Edmund Rice Foundation (Australia)
ABN 28 153 110 055

Notes to the Financial Statements
For the year ended 31 December 2019

1 Summary of Significant Accounting Policies (Cont.d)

(k) Other taxes

Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST except:

Where GST incurred on a purchase of goods or services is not recoverable from the taxation authority, in which case the GST is recognised as part of the cost of acquisition of the asset or as an expense item as applicable: and

Receivables and payables are stated with the amount of GST included.

The net amount of GST recoverable from, or payable to, the taxation authority is included as part of receivables or payables in the Statement of Financial Position.

(l) Trade and other payables

Trade and other payables are recognised when the group becomes obliged to make future payments.

(m) Reserves

Reserves represent funds held for the specific purpose for which they were raised or in the case of general donations, for the commitments made to third parties engaged in aid or development activities where memorandums of understanding are in place. It has been determined by the Trustee that these reserves can only be drawn against for these specified purposes or commitments.

(n) Accumulated funds available for future use

Funds available for future use represent accumulated surpluses available to fund future projects yet to be determined by the Trustee.

(o) Comparatives

Where necessary, comparative information has been reclassified in order to comply with the current year's presentation of financial information.

(p) Rounding off

The amounts within the financial statements and the accompanying notes have been rounded off to the nearest dollar.

(q) Critical accounting estimates and judgments

The preparation of the financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts in the financial statements. Management continually evaluates its judgments and estimates in relation to assets, liabilities, contingent liabilities, revenue and expenses. Management bases its judgments, estimates and assumptions on historical experience and on other various factors including expectations of future events, management believes to be reasonable under the circumstances. The resulting accounting judgments and estimates will seldom equal the related actual results. The judgments, estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities (refer to the respective notes) within the next financial year are discussed below.

Estimation of useful lives of assets

The group determines the estimated useful lives and related depreciation and amortisation charges for its plant and equipment. The useful lives could change significantly as a result of technical innovations or some other event. The depreciation charge will increase where the useful lives are less than previously estimated lives, or technically obsolete assets have been written off or written down.

Impairment of non-financial assets

The group assesses impairment of non-financial assets at each reporting date by evaluating conditions specific to the group and to the particular asset that may lead to impairment. If an impairment trigger exists, the recoverable amount of the asset is determined. This involves fair value less costs of disposal or value-in-use calculations, which incorporate a number of key estimates and assumptions.

Impairment of assets

The group assesses impairment of non-financial assets at each reporting date by evaluating conditions specific to the group and to the particular asset that may lead to impairment. If an impairment trigger exists, the recoverable amount of the asset is determined. This involves fair value less costs of disposal or value-in-use calculations, which incorporate a number of key estimates and assumptions.

Employee benefits provision

As discussed in note 1, the liability for employee benefits expected to be settled more than 12 months from the reporting date are recognised and measured at the present value of the estimated future cash flows to be made in respect of all employees at the reporting date. In determining the present value of the liability, estimates of attrition rates and pay increased through promotion and inflation have been taken into account.

Key estimates - incremental borrowing rate

Where the interest rate implicit in a lease cannot be readily determined, an incremental borrowing rate is estimated to discount future lease payments to measure the present value of the lease liability at the lease commencement date. Such a rate is based on what the group estimates it would have to pay a third party to borrow the funds necessary to obtain an asset of a similar value to the lease asset, with similar terms, security and economic environment. The incremental borrowing rate is estimated at 4.5%.

Key judgement - lease term

The lease term is a significant component in the measurement of both the lease asset and lease liability. In determining the lease term, the residual term of the initial lease term was assessed as the appropriate lease term for the calculations under AASB 16. The term used is 67 months.

Allowance for expected credit losses

The allowance for expected credit losses assessment requires a degree of estimation and judgement. It is based on the lifetime expected credit loss, grouped based on days overdue, and makes assumptions to allocated an overall expected credit loss rate for each group. These assumptions include recent sales experience and historical collection rates.

Total Cash Outflows for Leases		<u>30,309</u>	<u>6,772</u>

The lease in place is for premises in Nairobi, and has a term of 6 years.

A lease is in place over the buildings used by Edmund Rice Foundation Nairobi Office. The first renewal term of this lease began on 1st August 2018, and expires on 31st July 2024. The Company has an option to extend this lease for a further six years after expiry. At balance date, it is not reasonably certain that the Company will exercise the option to extend the lease and therefore it has not been included in the measurement of lease liabilities.

The lease payments are discounted using the interest rate implicit in the lease. If that rate cannot be readily determined, which is the case for the lease in place over the land and buildings used by the Nairobi Office, the lessee's incremental borrowing rate is used, being the rate that the individual lessee would have to pay to borrow the funds necessary to obtain an asset of similar value to the right-of-use asset in a similar economic environment with similar terms, security and conditions.

There are no commitments for capital expenditure to be disclosed in this report.

24 Events Subsequent to Reporting Date

As at the date of signing these accounts, the global COVID-19 pandemic has resulted in severe restrictions being placed on the movement, working and social habits of all Australians. The Company has put in place operational measures to ensure the safety of our employees and associates, while they continue the work of the Company. The Company will not be immune to the financial impact of the pandemic and is implementing a range of measures to best manage the likely financial impact without affecting our core mission.

Except for the Corona Virus (COVID-19) and subsequent government actions, the impacts of which on the business cannot be determined at this time, there has been no matter or circumstance, which has arisen since 31 December 2019 which has significantly affected or which may significantly affect:

- (a) the operations of the consolidated entity;
- (b) the results of those operations; or
- (c) the state of affairs of the consolidated entity, in subsequent financial years.

Edmund Rice Foundation (Australia)
ABN 28 153 110 055

Notes to the Financial Statements
For the year ended 31 December 2019

25 Right of Indemnity

The Company in its capacity as Trustee of Edmund Rice Foundation (a public ancillary fund) and Edmund Rice Overseas Aid Fund, has a right of indemnity against all liabilities incurred while acting in that capacity.

26 Parent Entity Details

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF EDMUND RICE FOUNDATION (AUSTRALIA)
ABN: 28 153 110 055**

Report on the Financial Report

Qualified Opinion

We have audited the accompanying financial report of Edmund Rice Foundation (Australia) ('the Company') and its subsidiaries ('the Group'), which comprises the consolidated statement of financial position as at 31 December 2019, the consolidated statement of income and expenditure, consolidated statement of comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information including consolidated table of cash movements, and the responsible persons' declaration of the consolidated entity comprising Edmund Rice Foundation (Australia) and the entities it controlled at the years end or from time to time during the financial year.

In our opinion, except for the effects if any, of the matter described in the Basis for Qualified opinion paragraph, the financial report of the Group is in accordance with Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012*, including:

- a) giving a true and fair view of the Group's financial position as at 31 December 2019 and of its performance for the year ended on that date; and
- b) complying with Australian Accounting Standards – Reduced Disclosure Requirements and Division 60 of the *Australian Charities and Not-for-profits Commission Regulation 2013*; and
- c) complies with the Australian Council for International Development (ACFID) Code of Conduct.

Basis for Qualified Opinion

Donations are a significant source of fundraising revenue for the Group. The Group have determined that it is impracticable to establish control over the collection of donations prior to entry into its financial records. Accordingly, as the evidence available to us regarding fundraising revenue from this source was limited, our audit procedures with respect to donations had to be restricted to the amounts recorded in the financial records. We therefore are unable to express an opinion on whether the recorded donations of the Group are complete.

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Group in accordance with the auditor independence requirements of the *Australian Charities and Not-for-profits Commission Act 2012* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF EDMUND RICE FOUNDATION (AUSTRALIA)
ABN: 28 153 110 055**

Other Information

The responsible entities are responsible for the other information. The other information comprises the information included in the Director's report for the year ended 31 December 2019, but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon. In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially consistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Responsible Entities' for the Financial Report

The responsible entities of the Group are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards – Reduced Disclosure Requirements and the *Australian Charities and Not-for-profits Commission Act 2012*, the ACFID Code of Conduct and for such internal control as the responsible entities determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the responsible entities are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the responsible entities either intend to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal controls.

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF EDMUND RICE FOUNDATION (AUSTRALIA)
ABN: 28 153 110 055**

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

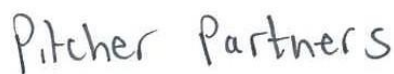

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Matters Relating to the Electronic Publication of the Audited Financial Report

This auditor's report relates to the financial report of Edmund Rice Foundation (Australia) and its controlled entities for the year ended 31 December 2019 included on Edmund Rice Foundation's website. The responsible entities are responsible for the integrity of Edmund Rice Foundation's website. We have not been engaged to report on the integrity of the Edmund Rice Foundation's website. The auditor's report refers only to the subject matter described above. It does not provide an opinion on any other information which may have been hyperlinked to/from these statements. If users of the financial report are concerned with the inherent risks arising from publication on a website, they are advised to refer to the hard copy of the audited financial report to confirm the information contained in this website version of the financial report.
