

We believe all women and girls deserve equal access to education.

It's Time to Step Up

Education is key to a brighter future.
It will empower her.
It will empower her community.
It will empower future generations.

It's Time to Step Up

Your donations have a big impact:

\$10 to train one mentor to empower girls in GBV awareness and human rights.

\$20 to train and support one girl to run a large-scale justice and anti-GBV campaign together with peers in her community.

\$50 for one girl to attend a 3-day empowerment camp to understand and defend her human rights.

\$150 to upskill 20 female community trainers to deliver small business management workshops.

\$350 for 150 women to be trained on surviving and defending against GBV.

Your donation will be quadrupled.

\$25 = \$100 • \$125 = \$500

\$250 = \$1000
