# Travel Booking

## International Flights

We'll secure your flights through ERF's trusted travel agent:

**Cayla Gibson, Sterling Travel Co**

 [Cayla.gibson@envoyage.com.au](mailto:Cayla.gibson@envoyage.com.au) |  0431 231 334

## Accommodation & Meals

### Nairobi

You're stay at **Little Daughters of St. Joseph** in Karen, Nairobi. The facilities are simple but comfortable, with ensuite bathrooms and wifi available. Most meals will be supplied here.

Little Daughters of St Joseph  
Karen, Nairobi, Kenya

[Google Maps](#)

A simple breakfast will be served each morning at Mary Ward. Simple packed lunches will be provided most days. There will also be an opportunity to dine out (at your own expense) during the immersion.

Please notify any dietary requirement via CanYou.

### Safari (own expense)

You'll be travelling to **Lake Nakuru National Park** for a Safari experience. You'll have overnight accommodation and there will be an afternoon game drive on arrival and a morning game drive the following day.

### Eldoret

You'll be travelling to Eldoret to meet Faith. You'll be staying at The facilities are simple but comfortable.

## Travel Insurance

You're covered under ERF's travel insurance for official immersion dates and locations. Any personal travel outside these dates is your responsibility.

👉 **Tip:** Keep a digital and paper copy of the insurance policy.

## Travel Checklist

- Print a copy of your travel itinerary and flights.
- Advise ERF of any dietary requirements.
- Save/print your Travel Insurance policy.

## Before You Go

### Vaccinations & Medical

See your travel doctor at least **6 weeks before departure** for vaccination and medication advice.

You'll need:

- **Yellow Fever vaccination + certificate** (required for re-entry into Australia).
- Malaria medication and other vaccines as advised by your doctor.

Pack a small medical kit (antibiotics, Immodium, rehydration salts, Panadol).

👉 **Tip:** Upset stomachs are common—prepare, don't panic.

👉 **Tip:** There are several very good expat doctors and chemists in Nairobi.

### Passport & Visa

Your passport must be valid **6+ months beyond your return date**.

Australian citizens are required to apply for a **Kenya ETA (Electronic Travel Authorisation)** online: [etakenya.go.ke](https://etakenya.go.ke)

You'll need:

- Passport photo, selfie or webcam
- Flight itinerary
- Accommodation booking letter
- Credit/debit card for payment

### Working with Children

If over 18, you will need to provide a copy of your Working with Children check (or your state equivalent). Once uploaded in CanYou, your profile will be linked to Edmund Rice Foundation as a Volunteer.

## Government Travel Advice

We recommend you check and register with [Smartraveller.gov.au](https://smartraveller.gov.au) before departure.

## Familiarisation

In the week before your journey, learn about Kenya and the communities you'll visit. Understanding culture, history, and daily life will enrich your experience.

 **Tip:** Watch YouTube travelogs, read articles and study maps.

## Before You Go Checklist

- Book travel doctor appointment
- Get Yellow Fever certificate. It's essential for re-entering Australia.
- Collect malaria meds
- Pack a small medical kit
- Check passport validity
- Apply for Kenyan ETA
- Register with Smart Traveller
- Do some background reading

## Packing List

Pack for both basic and smart casual events. Bring comfortable clothing for Nairobi, and light clothing that can be layered for safari. Don't forget warm layers for cool early mornings and evenings.

### Clothing:

- Pants:** lightweight, quick-dry long pants (we recommend avoiding shorts in slums)
- Shirts:** long and short sleeved breathable shirts for layering
- Undergarments:** Moisture wicking and comfortable
- Pyjamas**
- Shorts** for relaxing
- Smart casual outfit:** collared shirt for dinner out and Mass
- Jacket:** Windbreaker or waterproof jacket
- Comfortable enclosed walking shoes:** Waterproof runners/hiking boots
- Shoes / Sandals:** For smart-casual events
- Hat**
- Scarf or bandana:** to protect against dust

### Gear & Essentials:

- Sunscreen
- Insect repellent
- Hand sanitiser
- Toiletries
- Camera/GoPro/iPad
- Backpack (doubles as safari bag and carry-on)
- Universal adapter (Kenya uses UK-style plugs Type G)
- Medical kit
- Travel documents
- Wet bag

 **Tip:** Pack light. You'll receive a participant's shirt to wear during the immersion. Laundry is available.

👉 **Tip:** Zip off pants can double as shorts.

👉 **Tip:** Plastic bags are banned in Kenya (including duty-free and zip-lock bags). They may be confiscated on arrival, and penalties are severe. Pack reusable alternatives instead.

## Gifts for Schools (optional)

If you'd like to bring gifts, useful items include:

- Books, stationery, art supplies
- Sports gear (soccer ball, skipping rope)
- Bubble wands
- Small toys
- Musical instruments

👉 **Tip:** Pack items in luggage and don't bring more than two or three of any one item to avoid customs issues.

## Gifts for Staff (optional)

If you'd like to bring gifts, the Edmund Rice Foundation team in Kenya as well as staff at the project partners love Tim Tams and Darrel Lea Chocolates. Family size packs are gratefully shared amongst the teams.

👉 **Tip:** You can purchase TimTams at the international airport on departure if you forget.

## On the Ground

Throughout the journey, you'll be accompanied by your immersion leader.

Some experiences may feel confronting or challenging. Approach them with openness and humility. What feels “different” is not wrong—just another way of living and being.

You may be called *Muzungu* or asked for money, favours, or contact details. Simply refer all requests to your local leader.

## Wellbeing

Witnessing poverty and inequality can stir strong emotions. Remember—you are here to observe, listen, and learn, not to fix or judge. Stay present and allow yourself to experience the moment with an open heart.

There will be daily time for reflection, group connection, and debriefing. Sharing how you feel is part of the journey.

👉 **Tip:** Keep a daily journal to capture your thoughts and emotions.

## Safety

Be aware of your surroundings and listen to your guides instructions.

- Avoid flashy jewellery and valuables.
- Keep passport and cash safe (don't bring into communities).
- Read ERF's [Safety & Security Policy](#).

👉 **Tip:** Simple clothing, simple behaviour. Follow your guide.

## Money

There will be an opportunity to use ATMs to withdraw Kenyan Shillings (via the Visa or Cirrus network) once you arrive. AUD and US dollars can be exchanged.

👉 **Tip:** Don't bring cash into communities.

## Shopping

There are nearby supermarkets and chemists where you can purchase most grocery items. The project partners we visit often have handcrafted items for sale and we will visit local markets for unique items during your stay.

👉 **Tip:** Buying from project partners is a meaningful way to support the communities you visit.

👉 **Tip:** There are security checkpoints at shopping centre car parks and upon entry. This is similar to a domestic airport screening and is nothing to be worried about.

## Communications

Our team will use WhatsApp to communicate with one another and with you while on immersion. Wi-Fi is available in most hotels and some cafes and shopping centres.

If it's important to stay connected with home while you're away, we'd suggest an eSIM (try [esim.com.au](https://www.esim.com.au)) and/or turning on international roaming.

👉 **Tip:** The best way to stay connected during your immersion is using WhatsApp. We'll send you an invitation to join the group before departure as use this as the primary means of communications during your travels.

## On The Ground Checklist

- Pack discreet, comfortable clothing.
- Familiarise yourself with safety policy.
- Notify your bank of your travel plans.
- Check international roaming with provider or buy eSIM.
- Download WhatsApp App to your device
- Accept the invite to join the WhatsApp group
